Following on from Snetterton last weekend, this Saturday and Sunday sees the second of 750 Motor Club's 'big three' summer events, with a two-day meeting at the Club's home of Donington Park. The event will not only host 21 races with huge grids taking place across 10 formulae, but also BMW Car Club's Sommerfest on the infield alongside the 750 Motor Club race meeting on Sunday; featuring plenty to see and do for fans of the UK's most popular club-level race car marquee.

Having rebuilt the car to Class 6 spec following a brief spell in M1, it is Lee Piercey who currently tops the overall points in the BMW Car Club Racing Championship, and the E36 driver will be keen to extend his narrow points lead this weekend. Whilst he has some breathing space from Class 6 rivals Steven Schweikhardt (E46 Compact) and Jim Benson (E46 330ci), the return of former class champion Graham Crowhurst in a fresh E46 M3 in Class M1 means that Piercey has just four points in hand in the overall title race. Crowhurst needs to fend off habitual 750MC frontrunner Paul Cook (E46 M3), whilst it is Gareth Thomas who tops the table in Cup Class for the affordable 325ti Compacts.

The BMW Car Club's Ultimate Race is the inaugural event to find the fastest BMW on track at Sommerfest. This first of its kind outing allows any closed wheel BMW as long as it meets mandatory safety criteria, and in addition to the overall top three awards, various trophies are set to be presented from 'Most Photogenic Car', to 'Fastest Four Cylinder', 'Highest Placed Retro Racer' and many more. At the sharp end, look out for the GTR-silhouette E46 M3s of Jonathan Evans and Sean Foley, as well as Chris McGinley's rare E36 variant shared with multiple BMW Compact race winner, Ian Jones. Liam Crilly may well be one to watch; the former E30 racing champion is a multiple race winner in his Z4 Coupe and will be a strong contender for fastest non-M-powered silverware. The hugely experienced Ivor Mairs races his modest 325ti Compact across a whole host of different 750MC formulae and will be aiming for various trophy honours, whilst a trio or more of crowd-pleasing E30s will be vying for the retro top spot.

A grid of 40-plus cars is expected for the GAZ Shocks 116 Trophy on Sunday; this series of 90-minute races has been running under the auspices of 750 Motor Club since 2019 and offers the best value entry into the world of proper RWD endurance racing for teams of one, two or three drivers. Father and son team Chris and Jack Godden have proved to be ones to watch in 2022 and are likely to be at the sharp end in their eye-catching machine, whilst former Stock Hatch racer Rob Carvell is on a run of form following his first 116 Trophy victory at Silverstone last month. The BMW theme continues into the 750MC's PBS Brakes Hot Hatch Championship, where after three seasons at the top it is still David Drinkwater in his modest E36 318ti Compact who is the driver to beat, having taken all but one victory so far this season. His closest rivals for the overall title come from the other two classes; Civic driver Phil Wright having an impressive season in Class A, and former champion Paul Jarvis retuning in his Saxo and topping the Class B points; however Jarvis will be mindful of the ever-closer competition of Mathew Mandipira in his Clio 197. Things are certainly hotting up for a tight championship battle in the TEGIWA Type R Trophy, where experienced club racer Chris Nylan is currently tied on points at the top of the table with novice sim racing star Jake Hewlett, with former superkart racer Joe Jessup and longstanding 750MC hatchback frontrunner Matt Digby close behind. With a reversed top ten grid for the second outing and nearly 30 identical EP3 Civics on the grid, expect to see some exciting action from start to finish.

Defending champion Jack Dwane has proved that he is still the driver to beat in the K-Tec Racing Clio Sport Championship, with seven podiums from seven and three of those on the top step. His closest competition in the class for 182-generation models comes from Scott Edgar, whilst Owain Rosser and Nic Harrison are tied on points in Class B for 197/200 models.

Apart from a missed Silverstone double-header, multiple former champion Ben Short remains unbeaten in the 2022 5Club MX-5 Championship, and the subsequent points haul puts him as odds-on favourite for another title. The BS Motorsport driver hasn't had it easy though; pole positions and plenty of places have been swapped upfront – mainly with longstanding title protagonists and fellow namesakes Ben Abbitt and Ben Hancy; the former picking up one of the Silverstone victories. It's an MX-5 at the top of the Armed Forces Challenge leaderboard as well, ahead of a brace of Peugeot 306 models; this time in the hands of Doug Inglis in this popular championship for service personnel and veterans that rewards consistency as well as outright performance.

Richard Webb currently leads the 2022 RLM Racing Sports 1000 Championship in his first full season; the Rutland-based driver remaining unbeaten at Croft, Oulton Park and Pembrey in the seven races to date. Two-time defending champion Ryan Yarrow will no doubt be hot on his heels this weekend in a similar Spire Sportscars machine; looking to make amends and claw back a decent points haul to keep his title campaign alive. Finally, the Swallow Hill Homes F1000 Championship is currently set for its biggest ever entry in 26 years; a record 28 matching 1000cc bike-engined seaters are set to hit the track here at Donington. It took little more than one season for former 750MC Locost champion Tom Gadd to get to grips with his TSR-run Jedi; his first win came at Oulton Park, after which he continued into 2022 with clear title aspirations. Six podiums including three victories have been sufficient to propel Gadd to the top of the table, but a matching six podiums for Rob Welham means that just 11 points separate the pair. Former F1000 and Sport Specials champion Matt Booth isn't far behind; and the trio will all be on the lookout for former RGB/Sports 1000 champion Matt Higginson, who is rapidly getting to grips with F1000 after returning to bike-engined car competition with 750MC in 2022.

**O**n Sunday, Donington Park will also host BMW Car Club's Sommerfest event here on the infield, along with track parades at the end of the day. 750 Motor Club competitors and spectators can all access the event through the pedestrian tunnel, with various activities taking place as per the timetable below. Plus, with action on track from the BMW Car Club Racing Championship, GAZ Shocks 116 Trophy endurance series and the first ever Ultimate BMW Race, this is set to be a busy day for fans of the popular performance marque.

## CHAMPIONSHIP

A new development after seven years sees Clio 197/200 models join the 182 models in one of 750MC's closest championships. The later generation cars are regulated to run at the same pace across a season as a 182, allowing all cars to compete for the overall championship title.

Now in its fifth championship season following a successful re-introduction in 2016, Hot Hatch picks up where the original incarnation left off in 2009, introducing three power to weight classes to give a level playing field. Forced induction and 4WD are not permitted but regulations otherwise allow for a huge variety of hot hatch machinery, in both front and rear-wheel drive layouts.

# RLM RACING SPORTS 1000

## CHAMPIONSHIP

Sports 1000 reflects what this formula has evolved into from its original 2001 'Roadgoing Bike-Engined' roots. Namely; 'Motorsport's Most Affordable Sports-Racing Car Championship'. Utilising standard 1000cc motorbike engines and running cost-effective semi-slick tyres, it is the ultimate go-to formula for those seeking as much performance as possible per pound, with BTCC-beating laptimes.

# BMW CAR CLUB ULTIMATE 2022 BMW RACE

Alongside the BMW Car Club Racing Championship and Gaz Shocks 116 Trophy, this Sunday's BMW-based race action will also feature an exciting celebratory race, going hand-in-hand with BMW Car Club's Sommerfest event taking place in the infield. The inaugural Ultimate BMW Race is open to any closed wheel BMW race car, subject to meeting standard Motorsport UK safety criteria. As a result this exclusive 45-minute encounter is set to celebrate the iconic marque and UK's most popular club-level race car manufacturer with a huge array of machinery, from four-cylinder hatchbacks to wild be-winged M3s and everything in between. The mandatory pit stop also means that entries can be shared between two drivers if desired.

# GET INVOLVED AT THE SHARP END OF MOTORSPORT

As an active alternative to competing, you could become one of the hundreds of hardy souls who clad themselves in orange overalls each weekend, to carry out the variety of jobs essential to the safe running of an event. It's a serious undertaking and can get you very close to the action at times - writes Peter Harding

Course, Incident, Flag, Post Chief, Pits, Paddock, Assembly, Telephone, Race Rescue Unit etc. - all these basically come under the umbrella of marshaling. However, you don't just come along and do whatever job you fancy on the day; there is a lot more to it than that. Those with no experience start as Trainees and will be placed with experienced marshals at whatever position they are allocated. Training days are available, ranging from fire-fighting, incident handling, use and knowledge of the many flags through to, after years of experience, becoming Examining Post Chief or Specialist.

The 750 Motor Club looks after its Marshals, realising only too well that they are all volunteers and

it has a Sponsorship Scheme to assist new marshals to buy the necessary kit (overalls, wet weather gear etc) or to help with their replacement; this funding uniquely comes directly from the 750 Motor Club competitors by way of donations to our Marshals Fund.

With its many race days the 750 Motor Club has lots to offer to both new and experienced Marshals.

For more information about Marshalling, please contact the Club's Chief Marshal:  
Pete Harding – 07802 505588 or  
[chiefmarshal@750mc.co.uk](mailto:chiefmarshal@750mc.co.uk)

The Race Rescue Unit is one of the many Marshaling opportunities available
