## MEETING PREVIEW | by James Winstanley

The Swallow Hill Homes F1000 Championship's first meeting with 750 Motor Club was here at Brands in April 2019, and this weekend sees a new record of 25 cars entered for their triple header fixture. James Maclachlan's 44.92sec lap record from 2014 shows the scintillating pace of these bike-engined single seaters, and it is currently Elliot Mitchell who leads the points standings after five podiums from five races so far – however 2019 champion Matthew Booth is hot on his heels and just a handful of points behind.

The Toyo Tires Toyota MR2 Championship brings a total of 41 cars this weekend, meaning that the two championship rounds are split across three races in group format to manage numbers of the Mk1, Mk3 and Mk3 machines. 2020 champion Aaron Cooke will be looking to make headway in his quest to defend the title despite a change of class from multiple champion Shaun Traynor, and serial protagonists Paul Cook and Paul Hinson.

Sunday will showcase an inaugural visit to Brands Hatch for the Tegiwa Club Enduro Championship, where Civic duo Jeremy Crook & Alec Livesley have taken two wins from two to lead Class C ahead of Matthew Tidmarsh & Chris Webster (MX-5), but trail just one fastest lap point behind Class A and overall leaders Rob Baker and Carl Swift (Seat Leon) in the Area Motorsport team's quest to defend their 2020 title. 2019 champion Steve Cheetham however is chipping away at the leaders, via the development of the Lodge Sport Racing team's Porsche Boxster, having stepped up to Class A spec last season. Class B is headed up by Luke Handley (Golf GTi), who despite securing the 2020 class title took his first race win at Croft last month, and will be looking to repeat the performance.

Many of the Club Enduro protagonists will also take to the track in Saturday's Tegiwa Roadsports race; another formula that offers up a capacity grid this weekend. Consistent frontrunners to watch include Matthew Weymouth in Class A (E36 M3), Liam Crilly (BMW Z4) in Class B, whilst C sees a rare Honda S2000 in the hands of Stephen Harrison, and a handful of BMWs taking on Class D frontrunner Chris Fantana in his Mk1 MX-5

The Yokohama-backed Ma7da formula for upgraded 'Locost Sevens' comes into the 2021 season with championship status for the first time, where a pair of wins at the Silverstone National season opener sees former Locost champion Danny Andrew top the table, despite a less fortunate second event at Donington Park. Relative 750MC newcomers Dan Sibbons and Simon Cort are next in line, but don't discount Brands local Ben Powney, who secured pole and a win on his last outing here in a Locost, and will be racing Ma7da back-to-back with F1000.

Fresh from a rather wet encounter in his BMW Compact's spiritual successor at the Nürburgring 24hr, defending champion David Drinkwater still remains the driver to beat in the PBS Brakes Hot Hatch Championship, which also boasts a capacity field. This year he is being run closer than ever; in Class C by JSCC graduate Olivia Martin in a similar Compact, whilst only a single missed fastest lap point for Class A leader Alistair Camp (EP3 Civic) separates him from Drinkwater and the maximum points haul. Camp has spent the season fending off Phil Wright and two-time Clio 182 champion Ryan Polley in similar machines, whilst in Class B it is Neil Stringfellow (205 GTi) whose three podiums have secured him the lead, ahead of the Nissan Almera GTi of newcomer Daniel Cogswell.

A fantastic run of form for Stewart Place sees another 205 GTi top the overall table in the Demon Tweeks | Yokohama Classic Stock Hatch Championship; the Suffolk driver taking three of the five wins on offer so far this year in the retro hatchback formula, with a useful points gap back to 2020 newcomer and oval hotrod ace Ryan Morgan in his Ford Fiesta XR2. Local driver and multiple champion Lee Scott holds the lap record here at Brands Indy but is not set to contest this weekend, nor is double 2020 race winner Jeff Humphries.

Former Ginetta driver Ben Pearson wasted no time in getting back up to speed in his 2021 return to racing, and heads up not only the Class 6 but overall points in the BMW Car Club Racing Championship. His Routec Racing teammate and 2020 frontrunner Jim Benson however remains an ever-present threat, and in M1 it is Niall Bradley who has a few points in hand from Brad Sheehan so far this year, both in E46 M3 machines. M2 looked set for the close battle between class leader Wayne Lewis and Adrian Williams to continue, however an engine failure in testing has now set Lewis on the back foot.

Finally, 2018 and 2019 champion Joe Stables leads the way in the RLM Racing Bikesports Championship, for bike-engined sports-racing cars. Having stepped up to a tuned Radical PR6 for this year in Class A, he has gone head-to-head on track and in the points with Scott Mittell, in the latest iteration of the family manufacturer's impressive Mittell MC-41R machine. In Class B, three podiums so far for relative newcomer Leon Morrell means the Newark-based driver holds an early season advantage over Ross Drew and Matt Moore, all in Radical SR3 variants.

# BMWCCR CHAMPIONSHIP

Introduced in 2018, BMW CCR is the club-level race formula re-launched by the only officially recognised BMW Car Club in the UK, including the one-make E46 BMWcup as part of a five-class offering for both 'M' and 'non-M' models. Running as a Motorsport UK Championship since 2019, the formula has attracted huge grids right from the word go.

# RLM RACING BIKESPORTS CHAMPIONSHIP

Bikesports was introduced in 2005 and caters for 'slicks and wings' sports-racing cars of any make, fitted only with a production four-stroke motorbike engine and gearbox. Classes cater for both tuned and 'standard' specification motorbike engines plus a budget-conscious sub-1000cc powerplant class, and the structure means it is the UK racing home for non-current Radical models.

Ma7da offers the same ultra-close slipstreaming race action and affordable costs, but with increased performance via a Mazda MX-5 1.8 VVT donor powertrain and more track-focused Yokohama A048 tyres. ## PBS BRAKES HOT HATCH CHAMPIONSHIP

Now in its fourth championship season following a successful re-introduction in 2016, Hot Hatch picks up where the original incarnation left off in 2009, introducing three power to weight classes to give a level playing field. Forced induction and 4WD are not permitted but regulations otherwise allow for a huge variety of hot hatch machinery, in both front and rear-wheel drive layouts.

## DEMON TWEAKS | YOKOHAMA CLASSIC STOCK HATCH CHAMPIONSHIP

Arguably the formula that defines UK club motorsport to many; Classic Stock Hatch is the affordable and eternally popular formula for fans of retro hot hatches. Any pre-1992 hatchback with a sub-1400cc 16V or sub-1600 8V engine is eligible, whilst Yokohama control tyres, regulated minimum weights and success ballast for podium finishers keep the field incredibly close.

# TEGIWA CLUB ENDURO CHAMPIONSHIP

The UK's biggest championship returns for another busy year, with full grids of production sports and saloon cars and some incredibly varied machinery. As well as live streamed video coverage, sponsor prize vouchers and driver hospitality, the calendar features another trip to Spa Francorchamps. Cars run in three classes separated by power to weight ratio, with outputs enforced by 750MC's own mobile rolling road.

## GET INVOLVED AT THE SHARP END OF MOTORSPORT

As an active alternative to competing, you could become one of the hundreds of hardy souls who clad themselves in orange overalls each weekend, to carry out the variety of jobs essential to the safe running of an event. It's a serious undertaking and can get you very close to the action at times - writes Peter Harding

Course, Incident, Flag, Post Chief, Pits, Paddock, Assembly, Telephone, Race Rescue Unit etc. - all these basically come under the umbrella of marshaling. However, you don't just come along and do whatever job you fancy on the day; there is a lot more to it than that. Those with no experience start as Trainees and will be placed with experienced marshals at whatever position they are allocated. Training days are available, ranging from fire-fighting, incident handling, use and knowledge of the many flags through to, after years of experience, becoming Examining Post Chief or Specialist.

The 750 Motor Club looks after its Marshals, realising only too well that they are all volunteers and

it has a Sponsorship Scheme to assist new marshals to buy the necessary kit (overalls, wet weather gear etc) or to help with their replacement; this funding uniquely comes directly from the 750 Motor Club competitors by way of donations to our Marshals Fund.

With its many race days the 750 Motor Club has lots to offer to both new and experienced Marshals.

For more information about Marshalling, please contact the Club's Chief Marshal:  
Pete Harding - 07802 505588 or  
chiefmarshal@750mc.co.uk

The Race Rescue Unit is one of the many Marshaling opportunities available
