The penultimate meeting of the season for 750 Motor Club brings us back to the North West, and the exciting full International layout at Oulton Park, where five formulae are all set for championship finales.

Although the Class A title has been wrapped up by defending champions Rob Baker & Carl Swift in addition to Class C going the way of Dan Ausano & Joel Oswick, there is still a huge amount to play for in the final Tegiwa Club Enduro Championship race of the season. Both of the aforementioned teams are set to content the overall championship win; the single additional point scores available for fastest lap at each round are likely to prove decisive either way. The Clubman's Cup is also yet to be decided, whilst in Class B there still remains a three-way title fight to settle. With two-time 2022 winner Chris Freeman now out of contention (and making his Class A debut this weekend after suffering damage at Anglesey), it remains to be seen whether defending champion Luke Handley can remain on top of the points ahead of fellow VW Golf driver Jonathan Packer. That's not Handley's only threat, as the Porsche Cayman pairing of former champions Matt Faizey & Steve Hewson still remains in contention if luck doesn't go the way of Handley and Packer, and remains more than a match for the Golfs on track.

A dominant season has seen Craig Land top the points in the hugely competitive Demon Tweaks | Yokohama Locost Championship, after coming perilously close on occasion in recent seasons. Defending champion Martin West currently sits second in the standings and will be looking to hold on to that place from the approaches of two-time 2022 podium finisher Karl Ruijsenaars. With some of the closest slipstream-assisted racing action available not just with 750MC but across all UK motorsport, all bets are off as to which of the field heads up Deer Leap on the final lap here at Oulton.

Ben Short added another 5Club MX-5 Championship title to his tally in the 2022 season, resisting the efforts of Bens Abbiitt and Hancy, and the formula for the longstanding Japanese roadster will bring another huge grid of Mk1s here this weekend. The aforementioned duo will be aiming to settle their remaining top positions, alongside Jordan Johnson, Matt Hallam, Ian Tomlinson and Tom Holland.

Aaron Cooke is on the verge of adding a third overall title in a row to his Toyo Tires MR2 Championship tally after another impressive season. Only multiple former champion Shaun Traynor is mathematically within reach, as Dan Silvester and Alastair Topley separate what is then a very tight five-way pack behind in the remainder of this year's top ten.

The exciting Hitek Electronic Materials Alfa Romeo Championship also rounds out its 2022 season this Saturday, with two races set to settle the score in both class and overall championships. Andrew Bourke currently tops the points overall and in the Twin Spark class but V6 class leader Tom Hill isn't far behind; whilst Jon Billingsley (Twin Spark) and Graham Seager (V6) are next in line and just a few points apart.

All today's races will be available to view live online with Alpha Live – head to the 750 Motor Club website to view from 10:30am.

## CHAMPIONSHIP

Founded in 2008, the MR2 Championship features huge grids of minimally modified cars, and continues to lead the way for those interested in affordable, competitive RWD club motorsport. Three classes cater for all generations, whilst respective minimum weights and Toyo control tyres help to level the playing field.

Locost racing is one of the UK's most successful forms of club motorsport, with grids regularly exceeding 30 cars year-in, year-out with ultra-close slip-streaming race action. All are built to the same Ron Champion 'Build Your Own Sports Car' book design, using a 1.3-litre Ford engine with control camshaft and modifications limited to a re-bore and basic 'blue-printing'. Yokohama A539 control tyres are extremely affordable and easily last a whole season of competition.

# 5CLUB MX5 CUP

## CHAMPIONSHIP

From the original architect of MX-5 racing in Europe, this tightly-controlled one-make championship for the Mk1 roadster puts the focus on driver ability and is as competitive as it is great value, with fixed fee triple-header meetings throughout 2018. Many successful drivers have used the formula to hone their skills before stepping up to victories elsewhere, and regulation compliant cars can be bought for less than £5000.

## CHAMPIONSHIP

The UK's biggest championship returns for another busy year, with full grids of production sports and saloon cars and some incredibly varied machinery. As well as live streamed video coverage, sponsor prize vouchers and driver hospitality, the calendar features another trip to Spa Francorchamps. Cars run in three classes separated by power to weight ratio, with outputs enforced by 750MC's own mobile rolling road.

# GET INVOLVED AT THE SHARP END OF MOTORSPORT

As an active alternative to competing, you could become one of the hundreds of hardy souls who clad themselves in orange overalls each weekend, to carry out the variety of jobs essential to the safe running of an event. It's a serious undertaking and can get you very close to the action at times - writes Peter Harding

Course, Incident, Flag, Post Chief, Pits, Paddock, Assembly, Telephone, Race Rescue Unit etc. - all these basically come under the umbrella of marshaling. However, you don't just come along and do whatever job you fancy on the day; there is a lot more to it than that. Those with no experience start as Trainees and will be placed with experienced marshals at whatever position they are allocated. Training days are available, ranging from fire-fighting, incident handling, use and knowledge of the many flags through to, after years of experience, becoming Examining Post Chief or Specialist.

The 750 Motor Club looks after its Marshals, realising only too well that they are all volunteers and

it has a Sponsorship Scheme to assist new marshals to buy the necessary kit (overalls, wet weather gear etc) or to help with their replacement; this funding uniquely comes directly from the 750 Motor Club competitors by way of donations to our Marshals Fund.

With its many race days the 750 Motor Club has lots to offer to both new and experienced Marshals.

For more information about Marshalling, please contact the Club's Chief Marshal:  
Pete Harding – 07802 505588 or  
[chiefmarshal@750mc.co.uk](mailto:chiefmarshal@750mc.co.uk)

The Race Rescue Unit is one of the many Marshaling opportunities available
