

The Seaman Trophy Meeting

VSCC

Cadwell Park

Saturday 18th June 2023

Bulletin 1

Amendments to General and Supplementary Regulations

- GR 5 Track Limits. Competitors' attention is drawn to the recent rule changes
Q12.21.2b A driver will be judged to have left the track **if any part of the contact patch of the tyre** goes completely beyond either the outer edge of any kerb or the white line where there is no kerb.
Q.12.22.1. Breaches of 12.21.2 may be penalised using the following as follows:
(a) **In qualifying the lap on which the breach occurred should be disallowed.** Note should be made on the result sheet of any times **disallowed.**
(b) During races the following scale of penalties will be applied:
1st breach – no penalty
2nd breach – warning flag
3rd breach – 5 second penalty added to race time
4th breach – **a further 10 seconds penalty** added to race time
5th breach – drive through penalty (12.26.(h)) **in addition to the preceding time penalties**
6th breach – black flag
Care should be taken to ensure that all signals (flag and board) must have been displayed to the driver concerned before moving up the penalty scale. All penalties applied should be noted upon the result sheet.
- GR 5 Competitors' Safety Overalls. Competitors' attention is drawn to the recent rule changes
K9.2 Exceptionally drivers of **open bodywork** Period Defined Vehicles (Non-Rally) A-D and pre-1941 three wheeled cars, may wear ACU or FIM approved leather overalls
and K14.3 (g) Exceptionally drivers of **open bodywork** Period Defined Vehicles (Non-Rally) A-D and pre-1941 three wheeled cars, may wear ACU or FIM approved leather gloves and shoes
- GR 10 Cars stopping on the grid in the wrong location may be given a False Start penalty, not a Jump Start penalty.
- GR10 For clarification – should a handicap race be red flagged - the following procedures will be adopted
1. Red Flag under two laps – complete restart
2. Red Flag between two laps and 50% of the race distance – the race will be rescheduled to run as a handicap at the end of the day, if there is time.
3. Red Flag where over 50% of the race distance has been covered – a pro rata result is declared which is determined by the handicappers. The calculation used would be to take the best lap time achieved by each car in the shortened handicap, multiplied by the number of laps remaining. These figures would be added to the result at the time of the red flag to produce a final handicap result.
- SR 3 Motorsport UK permit 130691 Interclub
- SR5 Both Handicap race lengths are revised to 7 laps
- SR 9 Motorsport UK Steward Keith King
Event Stewards Colin Prest & Paul Tebbett
