## PRACTICE SESSIONS

Changes from your allocated session can only be sanctioned in writing by the Clerk of the Course.

As you can see, most sessions are very full so beware that this may not always be possible.

Remember, if you do not practice you cannot race.

Shared cars are denoted in Red.

Duplicated numbers have drivers' initials shown to identify the correct practice session.

All Cars in the Alvis Race are invited to take part in a lunchtime grid walk for the public.

Please take your car to the Assembly Area once the final practice session has started.

You will then be placed in grid position and released onto the track once the practice session has finished. You will then be parked up on the grid in starting order. Please switch off your engines. The public will then be released onto the grid to walk amongst the cars.

Once the lunchbreak has concluded the grid will be cleared of the public and you will then be asked to start your engines, complete a green flag lap and re-grid ready to start the afternoons racing.

Thank you for your support of this grid walk and helping to make VSCC Racing more accessible to the public.
